To Our Valued Fleet Fueling Customer:

We are excited to announce that Petro Lock, Inc and CFN (Commercial Fueling Network) have teamed up to provide you with the Petro Lock, Inc FleetWide card. The FleetWide card will replace your current Petro Lock, Inc CFN card. This new card system will provide you a much expanded network offering a broader range of fueling options. Please find enclosed a FleetWide brochure that further outlines the features of your new card.

Your new FleetWide card will continue to provide access to all 3,000 CFN sites while additionally offering you access to over 29,000 sites nationwide! Your FleetWide card will continue to offer you industry standard features to track and control your fuel purchases. To find the over 32,000 sites available with the Petro Lock, Inc FleetWide card, please visit our website at www.petrolock.com and click on the FleetWide link. You can also go to www.cfnet.com and click on Site Locator, select FleetWide and go to desired locations.

We are working towards having all current Petro Lock, Inc CFN cards converted to Petro Lock, Inc FleetWide cards within the next few weeks. We will be contacting you when your new Petro Lock, Inc FleetWide cards are in.

We pledge to do everything possible to make this transition smooth and keep you informed of our progress. Please feel free to contact Customer Support with any questions or concerns at **661 948 6044**.

At Petro Lock, Inc our customers are Priority 1. Offering you expanded coverage with the FleetWide card is one more way of showing you our appreciation for your business. We are dedicated to meeting and exceeding your fueling requirements.

Thank you for your business and your assistance during this transition.
